HOW TO CHOOSE

Which Path Is Right for You?

Choose the 3-Month Bundle if...

You want structured, hands-on guidance to build your protocol, prove to yourself this works, and decide what's next — without a full-year commitment.

Choose the VIP Membership if...

You're ready to fully commit for the year, want unlimited access to Dr. Aimee, and want every add-on — bloodwork, genetics, nutrition, faith-based growth — built in from day one.

Whichever path you choose, you are not doing this alone. This is your season to reclaim your energy, your glow, your vitality — and to do it the way God designed your body to function.
